ATTN.: Reviewing Engineer

FCC ID: OELCGM-ST-101

We hereby request C2PC Certification for the above mentioned FCC ID.

The reason for this request is:

The integrated PCB antenna has been changed, and the antenna gain has been increased compared to the original. The rest of the circuit and RF specifications are the same. Due to this difference, Radiated test and RF exposure test report are submitted.

	Antenna gain	Type
Original	1.02 dBi	PCB pattern
Changed	1.31 dBi	PCB pattern

Kind regards
