In re: AT&T Wireless Services, Inc.  
Form 731 Confirmation Number EA95308  
FCC ID: OF2FWBASE

To Whom It May Concern:

On August 31, 1999, AT&T Wireless Services, Inc. ("AWS") submitted electronically, an FCC Form 731 application for equipment code PCB, Licensed Base Station For Part 24. At the time of filing AWS inadvertently duplicated the first 3 digits of the FCC ID number. AWS hereby respectfully requests that the FCC ID for its application (Confirmation number EA95308) be corrected to read "OF2FWBASE."
