In re: AT&T Wireless Services, Inc.
Equipment Authorization OF2WCSR30
Confirmation Number EA99518
Request for Confidential Treatment of Exhibits

Dear Mr. Fabina:

Pursuant to the provisions of Sections 0.459(a) and (b), AT&T Wireless Services, Inc. ("AWS") respectfully requests confidential treatment pursuant to Section 0.457(d) of the following Exhibits in the above-referenced Equipment Authorization Grant:

Exhibit Description	Exhibit Section
Block Diagram	Chapter 2
Internal Photos	Chapter 6
Operational Description	Chapter 7
Parts List Tune Up Information	Chapter 8
Schematic Diagrams	Chapter 10

Each of the foregoing exhibits constitute trade secrets and commercial information relating to the Equipment Authorization that AWS would not normally make publicly available. Disclosure of such information could provide competitors of AWS with information that would put AWS at a competitive disadvantage in the market place.

AWS inadvertently included the foregoing exhibits in its originally-filed Equipment Authorization application without requesting confidential treatment. Though the information has been made publicly available over the Commission's web site, AWS

requests confidential treatment for these exhibits on a going forward basis to reduce the competitive disadvantage it will suffer by disclosure of the exhibits in question.

For the foregoing reasons, AT&T Wireless Services, Inc. requests confidential treatment for the exhibits and requests that they be removed from the above-referenced application at the earliest possible time.

Respectfully submitted,

AT&T Wireless Services, Inc.
