

28th June 2012

Subject : Request to change in Identification.

Dear Regulatory Authority,

This Change of Identification request applies for a new FCC ID: as established in 47CFR 2.933(b) for a currently approved device. This application by Datasat Technologies A.G., will establish a new FCC ID: OFD-2003DN001 under Datasat Technologies A.G. grantee code for purpose of marketing. The original grant to Unex Technology Corporation will remain in effect.

Per 2.933(b)

1. The original identification is NUK-DNMAH92
2. The original grant date is 10/07/2010
3. The equipment is electrically identical.
4. The original test results are applicable and representative of this changed device.
5. Exterior photographs are included in this application.

The following files are electronically submitted as attachments:

- The Authorization Letter from the Module Manufacturer
- External Photos of the module with new Label applied
- FCC ID label format and location detail

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Acheson', is written over a white background.
