

Attention: Application Examiner / Review Engineer

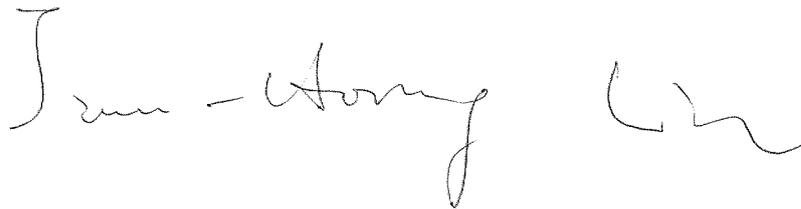

Subject: Request for a Change in Identification per 47CFR2.933 of FCC rules

Date: May 2nd, 2012

To Whom It May Concern:

This letter grants authorization for representatives of Datasat Technologies Ltd to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Unex Technology Corp. DNMA-H92, a WLAN 802.11a/b/g/n Mini-PCI module, with its FCC ID: NUK-DNMAH92. We are aware that Datasat Technologies Ltd intends to market the above referenced product under their own FCC ID: OFD-2003DN001.

Sincerely,

Name: Jiunn-Horng Lin
Title: Technical Manager
