Also, as required in CFR 47 § 15.212 (a)(1)(vi)(A), the RA2G4WIFI radio module instructs the host device to label with the FCC labelling requirement, as below paragraph in the module userguide (page 9) shows:

## 9 Host labelling requirements

Grundfos Holding A/S WIFI radio module, which is labelled "FCC ID: OG3-RA2G4WIFI" and "IC: 10447A-RA2G4WIFI" must observe the guide below for any host product

1. The host product must have a window or opening allowing the module label to be seen, or

2. Must have a label with the text
- "Contains FCC ID: OG3-RA2G4WIFI", and
  - "Contains IC: 10447A-RA2G4WIFI",

The lines may not be divided, or

3. If the host has an electronic display, the text
- "Contains FCC ID: OG3- RA2G4WIFI", and
  - "Contains IC: 10447A- RA2G4WIFI"
- must be accessible with no more than 3 key presses.
