To whom it may concern:

On behalf of Lucent Technologies Consumer Products L.P., I hereby request that the following items included in the above captioned application be maintained as confidential information and not be made available for public inspection at any time.

Schematics
Functional Block Diagrams

The information contained in the schematic diagrams represent many development efforts in both developing the first product and in eliminating the system problems specific to this new technology.

As this product represents a new class of Cordless Telephone, I would respectfully request the above listed items be considered as trade secret and property of Lucent Technologies, Incorporated, pursuant to Section 0.457(d) of the Commission's Rules.

Thank you for your consideration in this matter.

Sincerely,

Cayetano Chavez
