Reference: Request for Confidentiality for Exhibits Submitted with an Application for Certification.

Applicant: No Wires Needed BV FCC ID OGD10330209.

To whom it may concern:

No Wires Needed BV, respectfully requests that the following documents be with-held from public inspection, under the provisions of §0.457 of the FCC rules:

Schematics, Block Diagrams, and Technical description

This document has been physically separated from the rest of the application. The information contained in the schematics, block diagrams and technical description is required as part of the certification process. Disclosure of this information to the general public would reveal trade secrets and design concepts that are proprietary to No Wires Needed BV.

For this reason, we respectfully request a Grant of Confidentiality be issued for the items listed above. If you have any questions, or require further information, please contact the applicant.

Sincerely,

A handwritten signature in black ink that reads "Peter Murray" with a small flourish at the end.

Peter Murray
