RE: OJB-APC4-365, Confirmation Number EA271959, Correspondence regarding the Confidentiality of Internal Photos.

Date: July 09, 2008

Mr. Bonilla,

With respect to your correspondence regarding the FCC treatment of confidentiality of internal photos, there are reasonable measures in place to permit long term confidentiality of these articles. Specifically if these articles meet the following criteria they can be subject to long term confidentiality.

- Please treat internal photos as confidential.
- This is a sealed device with no user serviceable parts.
- This device is not marketed to the general public.
- This device is professionally installed.

Both FCC ID Numbers OJB-APC4-365, and OJB-SSC7-365 comply with the aforementioned criteria. Please accept this letter as proof of compliance and renewed request for long term confidentiality.

Thank you for your consideration regarding this matter,
