Could you accept the dismissal of the application (FCC ID: OJBRR721TX)?

If yes, we will work with FCC to process it.

Dear Thomas,

Sorry to disturb you.

I am a certification reviewer of Intertek TCB and would like to inform you that we have made an error in using your grantee code (OJB) to complete a filing (OJBRR721TX). We would improve our procedure to prevent this from occurring again and hope that you could accept the dismissal of this application.

Best regards

Ben Ho
