

CORNING

MobileAccess
Wireless Solutions

Corning Mobileaccess is requesting that the exhibit of "internal photo" under file name of Internal photos.pdf of **FCC ID: OJF-GX-PLA40** be granted permanent confidentiality pursuant to 47 CFR 0.457(d) of the FCC Rules.

The aforementioned internal photo contains trade secret that should be withheld from public inspection.

The device is a non-consumer device and is inaccessible to the general public because it is mounted on the top of a large tower or in a fenced enclosure and is only serviceable by the licensee or designated technicians authorized by the grantee.
