Declaration

The maximum output power level (dBm) and the tolerance (\pm dB) that the ONE™ RAU device is tuned to during the manufacturing process are as follows:

| Frequency Band (MHz) | Max. Power Level (dBm) | Deviation (dB) | Emission Designator |
|----------------------|------------------------|----------------|---------------------|
| 869-894 | 15 | 2 | all |
| 1930-1995 | 17 | 2 | all |
| 2110-2155 | 17 | 2 | all |
| 728-758 | 15 | 2 | all |
