

Mobileaccess  
HX

The image shows a laboratory workstation. On the left, a stack of four silver rack-mountable units sits on a desk. The top unit is a laptop. Below it are three units, with a white sign in front of the second one that reads "Mobileaccess HX". To the right of the stack is a blue oscilloscope with a handle, a white oscilloscope, and a white signal generator. A keyboard and mouse are on the desk. In the background, there is a window with blue curtains and a bulletin board with various papers pinned to it.
