

TESTING Cert No.1152.01

To: Timco Engineering

From: David Shidlowky

Att: Reviewing Engineer

Reference No: L106912.00

Date: 29 May 2011

Subject: FCC ID Application for HX HIGH Power DAS Remote Unit PCS/AWS Configuration, FCC ID: OJFHXP19A17

To Whom it may Concern,

1. The subject unit is a hardware de-populated version of the Full Configuration HX HIGH Power DAS Remote Unit FCC ID: OJFHXC85P19L70A17.
2. Due to the above, the block diagram, schematics, and parts list exhibits submitted with this application as the same as the ones submitted for the application of the full configuration application.
3. RF output power listed in item 14 of Form 731, is for all modulations tested per frequency band.
