

The logo for mobileaccess, featuring the word "mobileaccess" in a lowercase, sans-serif font. A stylized, curved line arches over the letters "i" and "e", resembling a signal wave or a protective shield.

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
1) This device may not cause harmful interference, and
2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: DIFMA1200 LTE700
