Re: Request for Confidentiality

Gentlemen:

In reference to the application under Class II Permissive change for FCC ID: OJFMA860WCE and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of the accompanying information as outlined below:

Antenna Specification

These documents contain detailed system and equipment description and related information about the product that MobileAccess considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, MobileAccess considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely Yours,
