Re: Request for confidentiality

Applicant: *WowWee Group Limited*

FCC ID: [FCC ID:OKP0805D]

To whom it may concern,

Request is hereby submitted by WowWee Group Limited to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Rationale for request for confidentiality:

WowWee Group Limited has invested considerable time and materials in research and development to produce the referenced product. [*Permanent confidentiality*: Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.]

[*For FCC certification; delete for TCB certification*: The fee for confidentiality has been submitted along with the fee for certification.] If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dennis", is written over a circular purple stamp. The stamp contains the text "QUALITY ASSURANCE" around the top edge and "WOWWEE GROUP LIMITED" around the bottom edge. In the center of the stamp, there is a smaller circular emblem with the letters "QACC" and "SERIAL" visible.
