

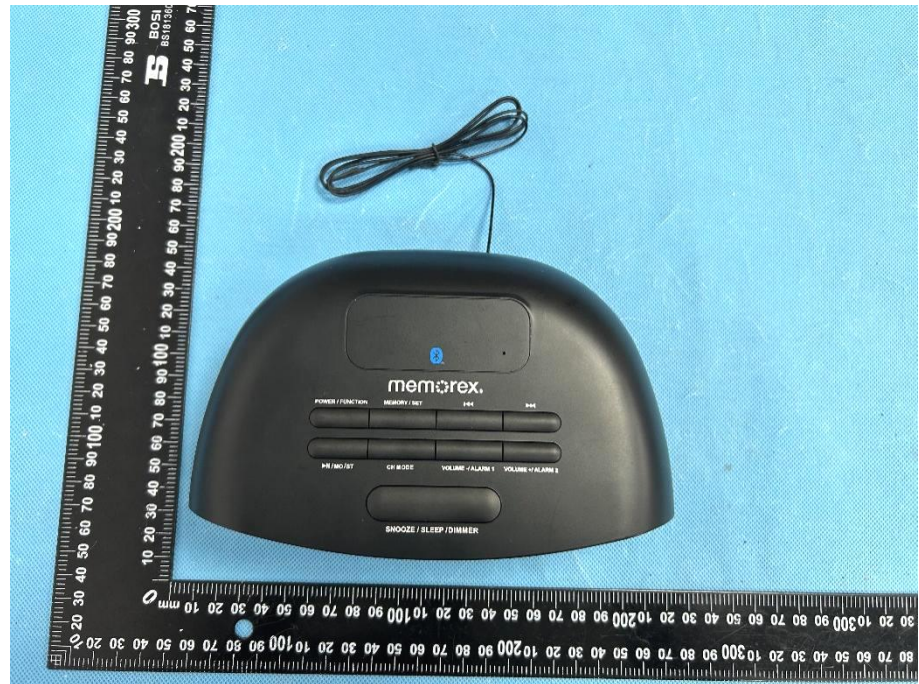

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1

EUT View 2

<p>EUT View 3</p>	 A photograph showing the bottom view of a black, dome-shaped Memorex alarm clock. The device is positioned on a light blue textured surface. A black ruler with white markings is placed vertically to the left of the clock, showing measurements in centimeters and millimeters. The clock's base features four small circular feet, a central rectangular recessed area, and a small circular opening at the bottom center. A black power cord is attached to the top of the device.
<p>EUT View 4</p>	 A photograph showing the front view of the same black Memorex alarm clock. The device is on a light blue textured surface. A black ruler with white markings is placed horizontally below the clock. The front panel features a digital display at the bottom showing "12:50 PM". Above the display are several control buttons: "POW/FUNCTION", "MEMORY/LEFT", "M2", and "M1". Below these are "M3/MODE", "VOLUME/ALARM 1", and "VOLUME/ALARM 2". A larger button at the bottom is labeled "SNOOZE / SLEEP / DIMMER". The Memorex logo is visible at the top of the front panel.
