PHOENIX TEST-LAB GmbH  
Koenigswinkel 10  
D-32825 Blomberg  
Germany

## In reference to FCC ID OKY1003925351A02C

### Justification for Part 15 Unlicensed Modular Transmitter Approval according to DA 00-1407

1. Own RF Shielding  
Complied
2. Buffered Modulation inputs  
Complied, no direct modulation input. Modulated signals will be buffered by microcontroller U300.
3. Own power supply regulation  
Complied, voltage regulated power supply on board, see schematic diagram
4. Antenna requirements  
Complied, integrated antenna
5. Test in stand-alone configuration  
Complied, see test report for details. Cable lengths typical to actual use.
6. Own FCC ID  
Complied, the exterior label will be "**Contains FCC ID OKY1003925351A02C**"
7. The Modular Transmitter must comply with any specific rule and the manufacturer must provide adequate instructions  
The EUT is compliant with all applicable FCC rules. Detail instructions are given in the user guide.
8. RF Exposure requirements  
Not applicable since the unit operates under section 15.225 of the FCC rules. The reference guide contains general installation and operation instructions. MPE evaluation not required.
