
5. OWNERS MANUAL

Chest Pulse Sensor User's Guide

To install and assemble the replacement chest pulse sensor, please read and follow all instructions in this user's guide. To use the chest pulse sensor with your treadmill, refer to the user's manual provided with your treadmill and the user's manual included with your original chest pulse sensor.

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by ICON Health & Fitness, Inc. could void the user's authority to operate this device.

WARNING: If you have an implanted medical device such as a pacemaker, check with your physician before using the chest pulse sensor.

WARNING: If you have heart problems, or if you are over 60 years of age and have been inactive, do not use the pulse programs.
Note: Your treadmill model may not have pulse programs.

WARNING: If you are taking medication regularly, consult your physician to find whether the medication will affect your exercise heart rate.
