RE: CONFIDENTIALITY REQUEST FOR: LKR-11 and LKR-12, OMDLK1-001

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We (Listen Technologies) have requested that the following items be held permanently confidential:

Block Diagram
Schematics
Operational Description
Parts List

These documents contain detailed system and equipment descriptions and related information about the product, which Listen Technologies considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Listen Technologies feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink, appearing to read "Tracy Bathurst", with a long, sweeping horizontal line extending to the right.
