

## Label Information

Photographs 1 and 2 on the next page show an exploded view of examples of the FCC ID label and the general product information label.

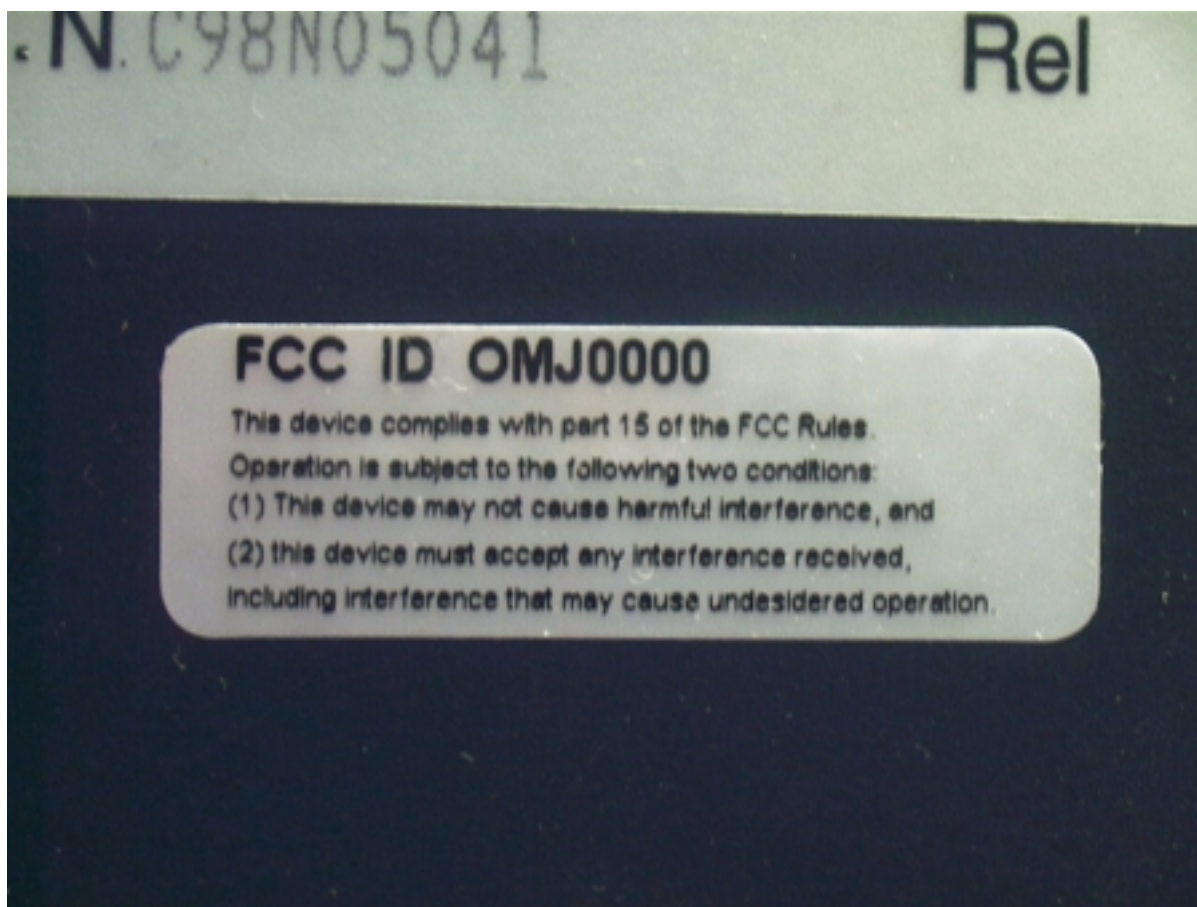

**Photograph 1 shows an example label - the last digit is incorrect - the labels will show the correct FCC ID of OMJ0001.**

Photograph 3 shows the location of the labels on the device.

The actual size of the labels is:

FCC ID: 30mm \* 10mm

Product Label: 55mm \* 28mm

Photograph 1: FCC ID label

Note - this is an example label - the FCC ID will be replaced by OMJ0001.

Photograph 2: General product label

Photograph 3: Position of labels
