**RESPONSIBILITY OF THE GRANTEE**

I, Matthew Morrison the undersigned, as a duly authorized representative of AgInfolink Technologies Inc, does hereby warrant that each unit of equipment that is marketed and/or sold which bears the same equipment marking of this report (FCC ID: ON2TTBASE01), will conform to the unit that was measured and that the data (design and operational characteristics) in this report, which is filed with the application for certification, will continue to be representative of the equipment being produced, bearing the same FCC ID, within the variation which can be expected due to quantity of production and testing on a statistical basis.

**STATEMENT OF ACCURACY OF TEST DATA**

All testing was performed by Markian Lapchak of Mark Lapchak & Associates using the prescribed procedures called out in ANSI Document C63.4-1992. The test site used is located at METRUM in Littleton, Colorado which is in compliance with Section 2.948 of the FCC Rules and complies with the radiated and AC line conducted criteria in ANSI C63.4-1992. The information with regard to the METRUM site may be found in FCC file 31040/SIT/1300F2. All equipment used was calibrated by the Bell Technology Services Division, an ISO 9002 registered metrology laboratory, whose standards are traceable to the National Institute of Standards and Technology. Certificates of calibration are available upon request.
