The image shows a gold-colored ESP-WROOM-02 module mounted on a blue PCB. The module is a small, square, surface-mount component with a gold finish. It features a Wi-Fi logo in the top left corner, the text "ESP-WROOM-02" in the top center, a CE mark and a globe icon in the middle, and the FCC ID "2AC72-ESPWROOM02" at the bottom. A small circular hole is visible on the left side of the module. The module is soldered to the PCB, and a blue component labeled "KE16" is visible above it. To the left of the module, there are several components labeled C471, C470, R500, R457, C472, R456, and TP3. A white sticker with the number "1926" and the date "5/1" is on the left. At the bottom, the text "DQ-450 V3.0" is printed on the PCB. On the right side, there are labels for "SDA", "SCL", "AUX_RX", and "AUX_TX".
