Subject: FCC ID: ONCWPR

Mr. Fujimoto:

In order for processing of this certification application (FCC ID: ONCWPR) to continue, the following issue(s) will have to be addressed:

- 1) Please provide the FCC ID(s) of the transmitter(s) with which the repeater is intended to operate.
- 2) Please provide the FCC ID of the transmitter used for the interoperability test.
- 3) Please describe the methodology employed for determining the repeater continues to comply with the applicable requirements with maximum input levels.
- 4) Please indicate whether the repeater only transmits when it demodulates and decodes (validates) an incoming signal from the specific transmitter(s) with which it authorized to operate.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal, and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is ONCWPR.

Best regards,
Scott McCutchan
