

## Request for Supersede

Date: 2010-11-17

**TO: Federal Communication Commission  
Industry Canada**

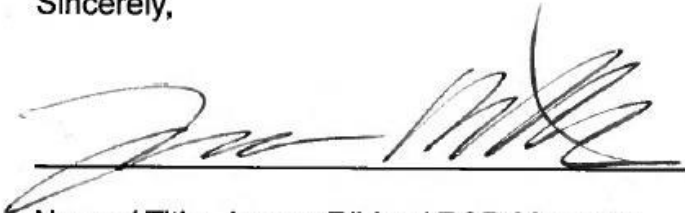

Please kindly be notified that we, TELE RADIO AB herein request to supersede the FCC ID: ONFC1012A/ IC: 4807A-C1012A for the following reason:

1. The Modulation type in test report should be FSK not ASK, we are willing to correct it.
2. There is one mistake for the test data in the test report due to the miscalculating. We are willing to correct it and replace the report.

Please kindly permit the supersede.

Thank you.

Sincerely,

Name / Title: Jesper Ribbe / R&D Manager  
Company: TELE RADIO AB  
Tel: +46(0)31 7485460
