Re: Equipment Authorization Under Part 15
Certification
RVLU Part 15 Spread Spectrum Transmitter
FCC ID: ONIRVLU

Gentlemen:

In accordance with the provisions of 47 CFR 0.459 and 0.457(d)(2)(I), Rockwell Collins, Inc. hereby requests that **Exhibit G Technical Description** of our Application for Equipment Certification for RVLU Part 15 Spread Spectrum Transmitter be withheld from public inspection. This application was electronically filed on July 28, 1999 and corresponds to Confirmation Number EA94989 and FCC ID ONIRVLU. Exhibit G contains commercial information and technical data confidential to Proxim, Inc., a vendor of RF components, customarily guarded from competitors and is, therefore, exempt from disclosure under Exemption 4 of the Freedom of Information Act [5 USC 522(b)(4)] because disclosure could reasonably be expected to cause substantial competitive harm.

Please direct all inquiries to Mr. Brett Wilson of this office at (703) 516-8223.

Respectfully submitted,

Linda C. Sadler
Director, Governmental & Regulatory Affairs
