To Whom It May Concern:

Further to the device approval identified at Reference A, IDENTEC SOLUTIONS hereby submits a class II permissive change requesting confidentiality for portions of the material contained in the original application granted on 10 July 2000.

Pursuant to Section 0.459 of the Commission's rules (CFR 47), the following documents are requested to be removed from public inspection following the processing of this change request:

Exhibit Type	Description of Exhibit	Date Submitted to FCC
Internal Photos	Photo of EUT no3	06/06/2000
Schematics	Technical Document	06/06/2000

These exhibits contain IDENTEC SOLUTIONS' proprietary information, trade secrets, or other confidential information that IDENTEC SOLUTIONS does not make available to the general public.

IDENTEC SOLUTIONS protects all of its proprietary, intellectual property rights and confidential information by requiring all of its employees and all other recipients of such information to sign confidentiality and non-disclosure agreements prior to receiving such information.

If you have any questions or concerns relating to this change request, please do not hesitate to contact me via telephone at (250) 860-6567 or email (mbrooks@identec.com).

Yours truly,  
IDENTEC SOLUTIONS INC.
