Dear Sir/Madam,

Please be informed that due to the typing mistake, we have entered an incorrect information on the form 731. In item 12, equipment specifications, the frequency range in MHz should be **0.015** instead of 15. Please revise the above-mentioned item.

Sorry to make you trouble. Should you have any queries, please feel free to contact me at e-mail: dchui@itslabtest.com.

Thank you for your attention.

Best regards,

Danny Chui
