RE: FCC ID: ORE-C021
EA95709

Mr. Joe Dichoso,

Upon further investigation on this product we have found that FCC ID: ORE-C021 / EA95709 with an external antenna is the same product as FCC ID: ORE-C020 / EA 95708 with an internal antenna. The FCC approved grant incorporated both the internal and external antennas. Please dismiss the FCC ID: ORE-C021; EA95709 as only one certification is needed. RTL will provide internal and external photos showing the internal antenna configuration and the external antenna configuration for FCC ID: ORE-C020 / EA95707 / EA95708.

Best Regards,
Desmond Fraser
