FCC ID location justification

FCC ID: OSDUSBBTADAPT

TO WHOM IT MAY CONCERN

We, the undersigned, hereby submit the justification for placing the FCC ID in the Associated User Manual for the USB Bluetooth® Adapter having the above-mentioned FCC ID. According to KDB Publication 784748 D01, when the device is so small, or for such use that it is impracticable to label with a font size that is four points or larger (and the device does not utilize electronic labelling), then the FCC ID shall be placed in the user manual.

USB Bluetooth® Adapters having the above-mentioned FCC IDs are so small and considering the dimensions of the equipment and the label area, it is impracticable to label FCC ID with a font size required on the devices.

Therefore, the FCC ID label is placed in the User Manual.
