Sir/Madam:

We would like to advise you that our previous company name, Focus Electronics Co., Ltd. has been changed into SONUS Telecom Inc. as of March 1, 2000. The reason we decided to change the company name is that more than 45 companies named Focus exist in Korea. It may cause certain legal problems and confusions by the companies corporation-registered as Focus ahead of us. There is no change made on this company except for the name of the company. Please be ensured that ownership, organization, board of directors, phone/fax numbers, email address and corporation tax ID remain unchanged.

The purpose of this letter is to obtain your official permission for revising the certificate and grant of FCC Part 15/Part 68 relating to the equipment applied to the name of SONUS Telecom Inc., under which SONUS Telecom Inc. will assume fully legal responsibility from FCC for all expenses and /or liabilities incurred or resulting from such changes in certification.

Sincerely yours,

B.J. Lee / President
