Sir/Madam:

We would like to advise you that our three models applied, GH2400N, IBM3415 and IBM3455, are 100% identical in every respect such as schematic, block diagram, pulse, RF module and instruction book. Please kindly be noted that the only difference among them is the cosmetic design.

The purpose of this letter is to obtain your official permission for revising the certificate and grant of FCC Part 15/Part 68 relating to the equipment applied to the name of SONUS Telecom Inc., under which SONUS Telecom Inc. will assume fully legal responsibility from FCC for all expenses and /or liabilities incurred or resulting from such changes in certification.

Sincerely yours,

B-J Lee / President
