Revised Request for Confidentiality

Date: March 29, 2018
Confidentiality Request for: GE Healthcare
FCC ID: OU5-CSONE01

To Whom It May Concern,

Pursuant to FCC 47 CRF 0.457(d) and 0.459, the applicant requests that a part of the subject FCC application be held confidential.

The applicant requests the exhibits listed below be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

- Block Diagram
- Schematics
- Operational Description

The applicant requests the exhibits selected below as short term confidential be withheld from public view for a period of 180 days from **March 21st, 2018**, the date the Grant of Equipment Authorization was issued. This expiration date would be **September 17th, 2018** and prior to marketing.

- External Photos
- Test Setup Photos
- User's Manual
- Internal Photos

Applicant has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Sincerely,

Mike Steinike.
