

Subject: RE: RE: Update RE: FCC Approval SHU-4 WMTS
From: Joe Dichoso <Joe.Dichoso@fcc.gov>
To: Timothy R. Johnson <tjohnson@atcb.com>

Tim, a quick note....

I just talked to Tim Maguire. He will be sending you an e-mail soon. Looks like amplifier will be allowed but you will need to show how field strength limits will be met via professional install. Possibly limiting output power and antenna gain.
