FCC ID: OUC11545917
IC: 850K-11545917

ANTENNA LISTING & STATEMENT INFORMATION

The model OUC11545917 transmitter is to employ only antenna coil DS5T-15607-AA or antenna coil DS5T-15607-BA.

One of these antennas will be permanently affixed within the OUC11545917 prior to shipment to the OEM installer, depending on which of the two ignition lock cylinders (as tested) it is to be affixed to.

As these antennas are non-removable and assembled with the product by the manufacturer prior to shipment, no OEM or end-user warnings about the selection of proper antennas are necessary.
