

Since this device is always used with vehicle, it is not sold to general end users directly. Therefore there is no user manual of this device. The following information must be described on the user manual of the vehicle;

Your F.A.S.T.-key operates on a radio frequency subject to Federal Communications Commission (FCC) Rules (For vehicle sold in U.S.A.) and Industry Canada Rules (For vehicles sold in Canada). This device complies with part 15 of FCC Rules and Industry Canada's applicable licence-exempt RSS standard(s).

Operation is subject to the following two conditions:

- This device may not cause harmful interference, and
- This device must accept any interference received, including interference that may cause undesired operation of this device.

***CAUTION***

- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
