To Whom It May Concern,

Re: Confirmation (EA96365), FCC ID (OUKVSLZ9931)

In submitting the 731 on behalf of our client, Phoenix Technologies, I inadvertently entered it as VSLZ9931. It should read -VSLZ9931.

The mistake is that there should be a hyphen between the Grantee Code and FCC ID (OUK-VSLZ9931).

The Labelling information we have submitted shows this in the correct version and as the client requested.

Thank you for your assistance in straightening this matter out. If you have any questions or need further clarification, please call or e-mail me at acmetest@acmetesting.com.

Sincerely,

Desiree Patterson
