Regarding: Request of Confidentiality for FCC ID# OUNT2

To Whom It May Concern:

Pursuant to Sections 0.457(d)(I)(ii) and 0.459 of the Commission's Rules, Backcountry Access hereby requests permanent confidential treatment of information accompanying as outlined below:

Schematics, Parts List, Operating Description, Block Diagrams, Data Sheets

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to Backcountry Access and provide unjustified benefits to its competitors.

Backcountry Access understands that pursuant to Rule 0.457(d)(I)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this Application.

In addition to the permanent confidential status of the information outlined above, Backcountry Access hereby requests temporary confidential treatment of:

Internal Photographs

for a period of 180 days from Grant for this Application. Circuit board layout and photographs of circuit boards are proprietary information until the product is released to the public. The highest probability date of product release is beyond 180 days in the future. Disclosure of internal photographs before this time could result in substantial competitive harm to Backcountry Access and provide unjustified benefits to its competitors. Application pursuant to FCC DA 04-1705 dated 6/15/2004.

Sincerely,

Bruce McGowan
President
