To Whom It May Concern:

MaxStream, Inc. does hereby request to be granted modular transmitter approval for the 9XCite model of MaxStream's 900 MHz Wireless OEM Modules. Please see the attached materials, including the "9XCite-and-TX-Mod-Approval.pdf" document, which addresses each of the requirements for modular transmitter approval status. Feel free to contact me if any questions arise.

Sincerely,

A handwritten signature in dark ink, appearing to read "David Steed", written over a horizontal line.
