

Annex 1 – Photographs of test Setup

9XSTREAM Wireless OEM Module, Model 9XSTREAM

Photo # 1

FCC ID: OUR9XSTREAM
IC: 4214A-9XSTREAM

Remark: The EUT was placed at 3 different orthogonal positions and the Tx antenna placed in both horizontal and vertical polarizations for maximizing the rf emission measurements

Annex 1 – Photographs of test Setup

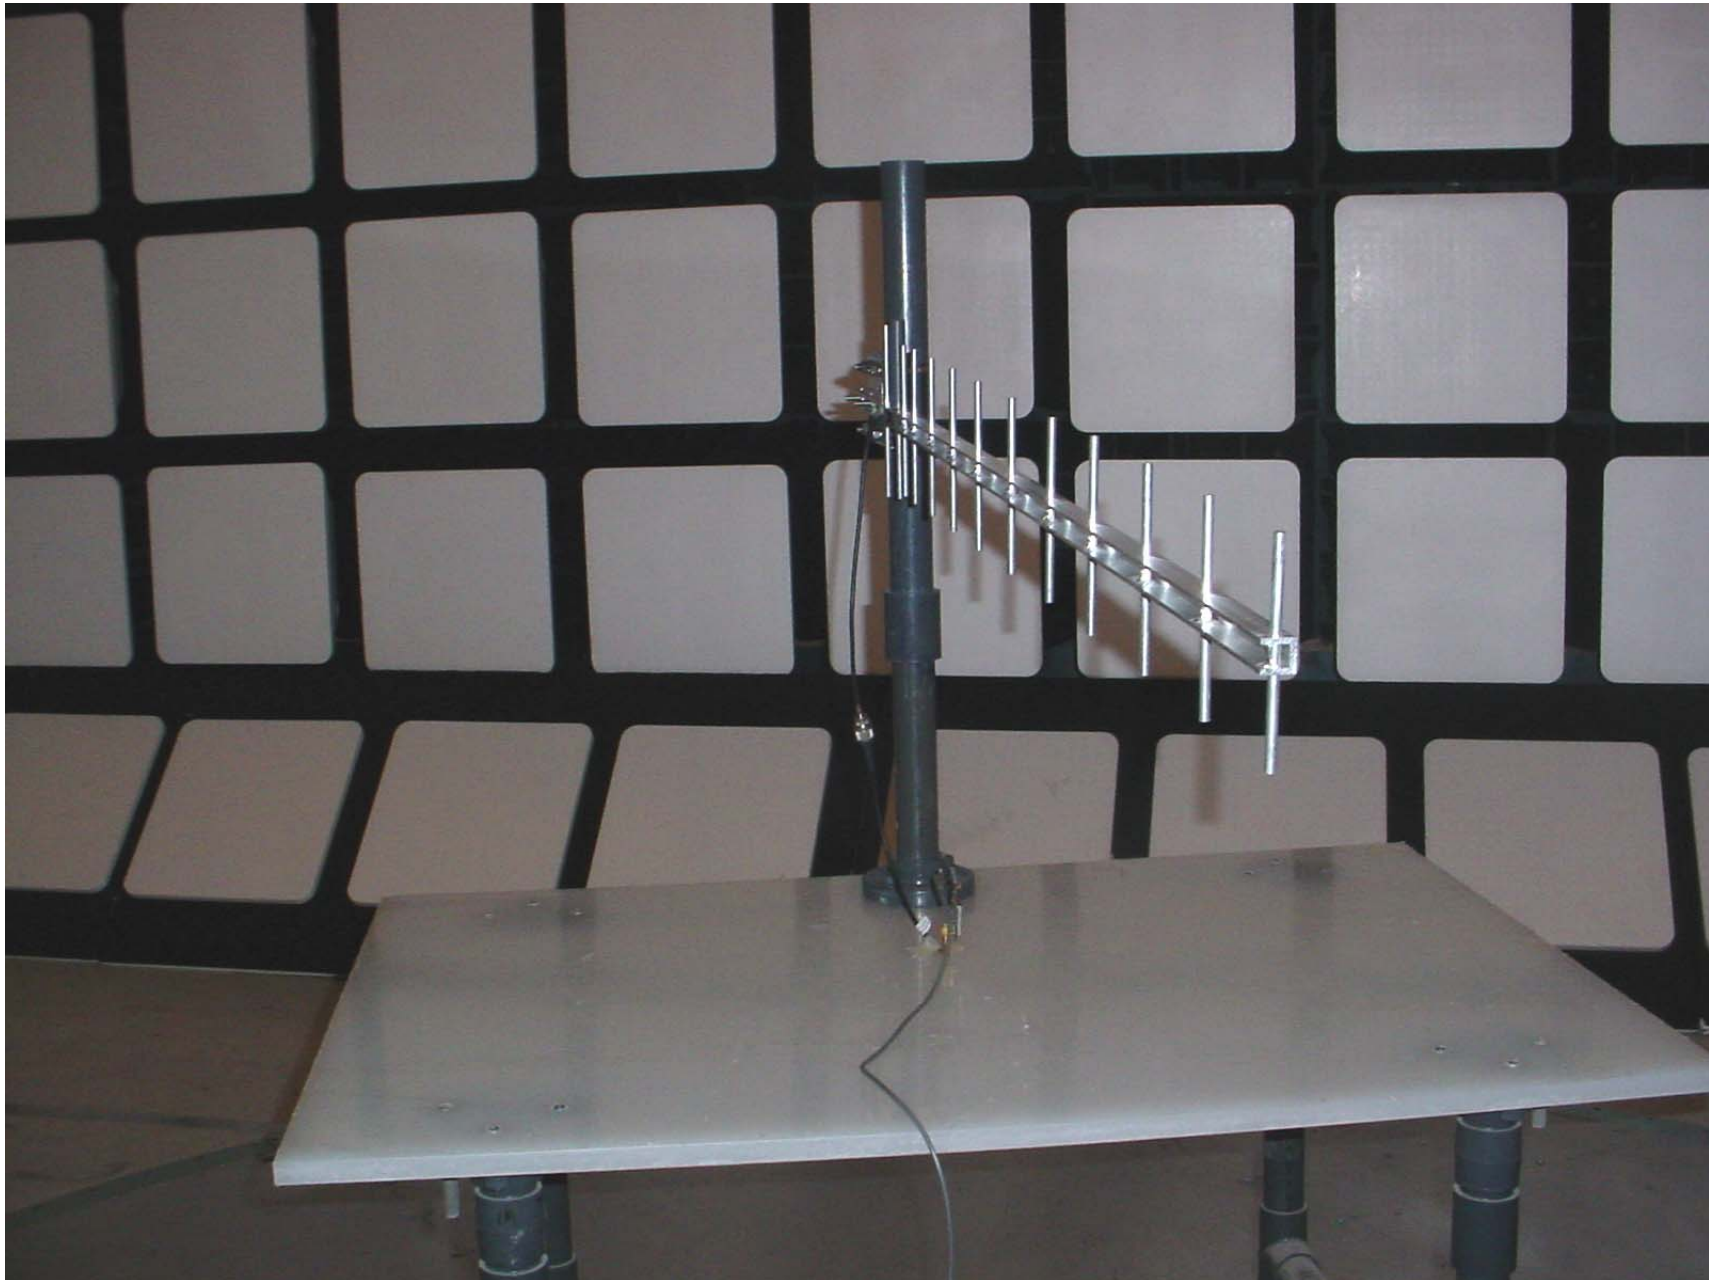

9XSTREAM Wireless OEM Module, Model 9XSTREAM

Photo # 2

FCC ID: OUR9XSTREAM

IC: 4214A-9XSTREAM

Remark: The EUT was placed at 3 different orthogonal positions and the Tx antenna placed in both horizontal and vertical polarizations for maximizing the rf emission measurements

Annex 1 – Photographs of test Setup

9XSTREAM Wireless OEM Module, Model 9XSTREAM

Photo # 3

FCC ID: OUR9XSTREAM
IC: 4214A-9XSTREAM

Remark: The EUT was placed at 3 different orthogonal positions and the Tx antenna placed in both horizontal and vertical polarizations for maximizing the rf emission measurements
