RE: Equipment Authorization
FCC ID: OUS430B, Confirmation Number: EA761263
FRN#: 0005-8473-48

Dear Jaunice:

This letter is in response to your email notification of 3/24/04. We have already included the information you have requested in our submitted report. The information you have requested may be found in file named "Compiled Report -- 430B.pdf".

This file also contains all internal & external photographs of the transmitter as well as tune-up information and an operational description.

FCC Engineer, Stanley Lyles requested that we attempt to condense the number of files submitted in order to expedite processing.

In response to your request, I have uploaded section (1) of the report, which contains pictures of the identification label.

Please contact me if you have any questions or if you need additional information. I can be reached by fax at (724) 873-8105 or phone at (724) 873-8100, extension 240.

Sincerely,

James C. Mounts
Design Engineer
