Re: Request for confidentiality

Applicant: UBS-Axcera Inc.

FCC ID: OUSCU0TD-5-UBS

To whom it may concern,

Request is hereby submitted by UBS-Axcera Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifier. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams

Rationale for request for confidentiality:

Axcera has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Hewitt". The signature is fluid and stylized, with a large initial 'D' and 'H'.
