Attn: Industry Canada & FCC

**Authority to Act as Agent**

I appoint Element Materials Technology to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in the FCC and Industry Canada regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for Certification, as specified by Element Materials Technology (Element), still resides with Microlise Limited, Farrington Way, Eastwood, NG16 3AG, United Kingdom

Dated this 15th day of December 2020.
