

**JOHN DEERE**

450-470 MHz AMPLIFIER

COMPONENT S/N:

INPUT PWR: 0-2 W

PCSR60A005001

OUTPUT PWR: 0-50W

PART NO: PF81443

DATE CODE: 1004

CANADA IC: 3595B-PCSR450A

FCC ID: 0V5PCSRAMP450A

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.
