Re: Change of Identification Authorization, Original FCC ID: NPQK3000

To Whom It May Concern:

This letter grants authorization for representative of Kyocera Wireless Corp. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Telian model K3000, FCC ID NPQK3000, granted on 02/15/2008. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

This letter of authorization might also be used to use all the technical information related to the said product.
