Mike,

Letter attached.

We understand that the listed information have been released to the public after July 02 2006. This is to request FCC to withdraw the information from the public and grant additional 45 days of Short term confidential extension.

Thanks,

CK

Hi C.K. :

Please provide a cover letter to request short term confidential to be extended and indicates in the cover letter that Kyocera has acknowledged that those requested files have been available to the public after July 02.

Best Regards
