## **FCC Authorization Letter**

**GoerTek Electronics Qingdao**  
6F Chuangye Building Hi-Tech Industrial Park, Qingdao Shandong, PRC

To: Kyocera Wireless Corp.  
10300 Campus Point Drive, San Diego, CA 92121 USA

Re: Change of Identification Authorization, Original FCC ID: SZG-GCK800

Date: 06/04/2007

To Whom It May Concern:

This letter grants authorization for representative of Kyocera Wireless Corp. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to GoerTek Electronics model GBH809K (which is the model number for GCK800's headset), FCC ID: SZG-GCK800, granted on 09/07/2005. We are aware that Kyocera Wireless Corp. intends to market the above referenced product under their own FCC ID. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

This letter only grants authorization to Kyocera Wireless Corp. to apply for FCC ID for one time, and KWC should not transfer this authorization to any third party without GoerTek's permission.

Sincerely,

  
Sahara Yang
