Re: Change of Identification Authorization, Original FCC ID: **RQ5KBA100N-LF**

Date: **11/17/2006**

To Whom It May Concern:

This letter grants authorization for representative of Kyocera Wireless Corp. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to **HANG SHING** model **KBA100N-LF**, FCC ID **RQ5KBA100N-LF**, granted on **11/12/2006**. We are aware that Kyocera Wireless Corp. intends to market the above referenced product under their own FCC ID. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Sincerely,
