Re: Change of Identification Authorization, Original FCC ID: EMJB81116

Date: January 16, 2007

To Whom It May Concern:

This letter grants authorization for representative of Kyocera Wireless Corp. (KWC) to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Primax Electronics Ltd. model PHS-4A, FCC ID: EMJB81116, granted on September 8, 2006. We are aware that KWC intends to market the above referenced product under a unique KWC FCC ID. The equipment is electrically identical. The only change is the device labels. The original test results continue to be representative of and applicable to the changed equipment.

Sincerely,

C.T. Huang, Director
Compliance Department
